General Manager's Message

Dear Members

A very big thank you to all the members who have made 2017 such a memorable year in the Club.

This year, the Management has tried to innovate new events. Together with experts in their fields, we brought in a couple of free talks for members covering topics of interest such as sport injury prevention and also cancer awareness. Also, arising from demand by our Members, the Monthly Pool Challenge was introduced and has proven to be a popular and competitive event throughout the year. Many thanks to our dedicated members who have assisted to spread the word.

The Club also hosted the 37th Interport Balut Competition in November. We welcomed close to 150 baluteers from 10 other clubs in the region to this annual regional event. While the Club may not have won the tournament, we did win many plaudits for putting on a memorable Tournament.

Our Christmas Giving Tree is into its 3rd year and the generosity of our members and staff is boundless. Together, we granted all 119 wishes of the beneficiaries across the five adopted charities of the Club.

Besides the many events held, we also welcomed the addition of the new covered walkway linking the carpark building to the main clubhouse, and also the completion of the refurbished lower level changing rooms. Feedback from members have been largely encouraging and possibly a precursor for more developments in the Club in the near future.

For updates of our events & promotions, and to catch up with more post-event photos, do visit www.sarawakclub.com and Like us on Facebook www.facebook.com/sarawakclub.
