General Manager's Message

Dear Members,

"The Covid-19 pandemic has had a major impact on life at the Club. After the Chinese New Year celebrations at the start of the year, everything went into lockdown and it has been life in the new normal since then. All large-scale social events have had to be put on the backburner. While most facilities and sporting activities have been allowed to resume, strict SOPs are now in place to curb the spread of the virus. In and around the clubhouse, all members, guests and staff are required to wear a mask. Hand sanitizer dispensers are available throughout the clubhouse. Social distancing is also a new phrase that is now common place. I implore everyone to abide by the new SOPs. I understand that it may seem cumbersome but these have been put in place to safeguard your very own health and safety and of those around you. Together, we care for one another and we can overcome the pandemic.

Thank you
