### General Manager's Message

Dear Members,

In 2022, we welcomed a gradual return to clubbing life after two turbulent years in lockdown. With members gaining confidence and eager to return to the club, we want to reassure members that the Management is committed to keeping the club as a clean and safe environment for everyone. With our staff who are all fully vaccinated, we continue with best practices of hand washing, masking up and random testing for Covid-19.

I am also happy that members have shown their confidence in the Club, restarting their healthy lifestyle in the various sports and games or just chilling in the Main Hall or bars.

Our restaurants and bars have also been busy in 2022. Chef has been churning out new dishes to entice members back. If you have a celebration to plan for, the Club is your ideal venue to entertain your families and friends. The staff are ready and waiting to be of service.

Thank you.
